National News—1965

1 *A Wave for Friends*—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

2 *Pioneer in Space*—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

3 *Medicare Bill Signed*—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

4 *Temporary Mood*—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

5 *Double Space Spectacular*—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

6 *Plea for Peace*—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 *After Surgery*—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation..

8 *Proud Student*—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 *Blackout*—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 *New Ambassador*—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11 *Startling Fashions*—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

12 *Royalty on Tour*—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

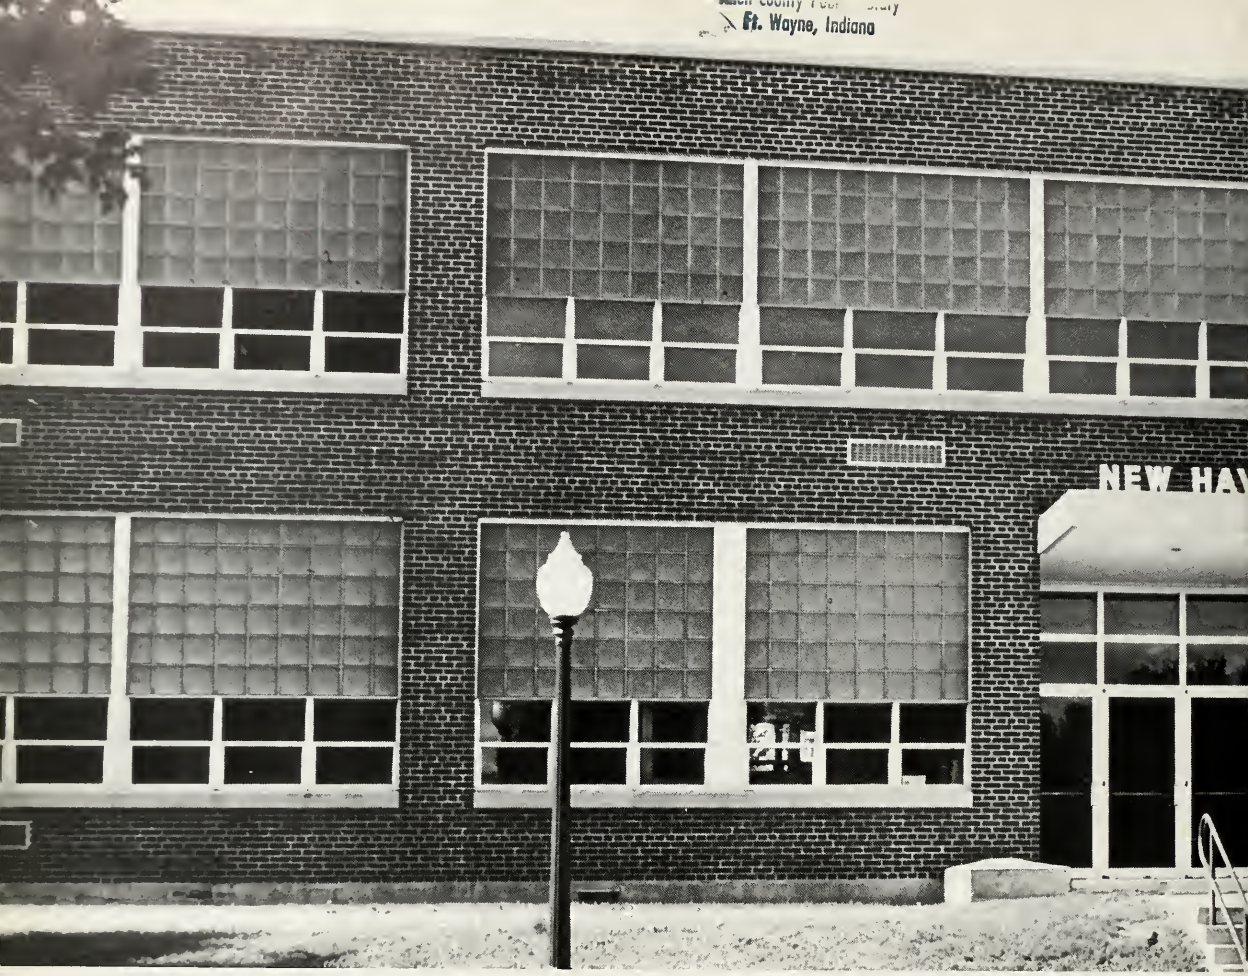
MIRAGE

1966

Volume XXVII
New Haven High School
New Haven, Indiana

Ft. Wayne, Indiana



When the school bells rang in September, 1965, more young people were summoned to the classrooms than ever before in the history of our nation. As a consequence of this "education explosion," the Congress, at the President's request, passed the education acts and more federal aid was granted to the public schools. Businessmen, scientists, politicians, and intellectuals took new interest in educating the American youth. The words "excellence" and "change" became familiar.

In this atmosphere 1076 students enrolled at New Haven High School and planned their schedules for the 1965-1966 year. Under the guidance and direction of able teachers, New Haven students spent many hours in serious study. They reached important decisions, formed new values, set new patterns; they fulfilled their social needs and made lasting friendships. Aware of the significance of education, each student planned his future in the ever-changing world.

CLASSES

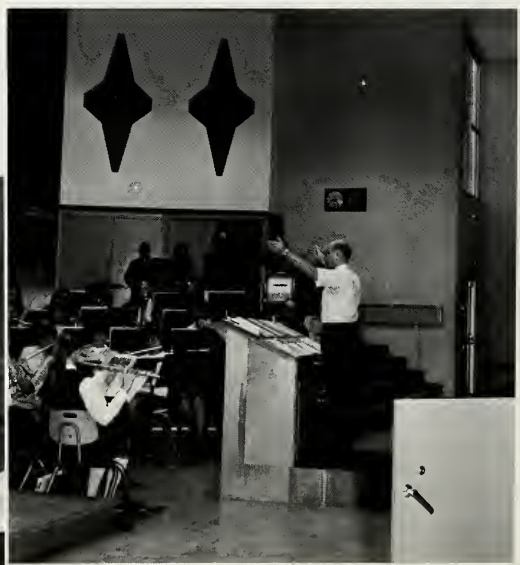
The Arts

Budding young Rembrandts.

Busy with brushes!

The art department consists of the band, the choir, and the art classes. The arts add beauty and pleasure to student life. The band makes its contribution by presenting concerts and instilling school spirit at sports events; the choir holds concerts and provides music at assemblies; the art classes supply the creative works which adorn the school halls.

The band swings!



Music theory students listen intently.

Business

Oh, to get that 120 words a minute!

Ready—get set—go!

The Business Department offers students a variety of classes to acquaint them with the business world. Courses such as typing, shorthand, bookkeeping, general business, sales, and business law teach useful skills that often "pave the way" to an exciting career.

Mr. Oberlin and Denny Trzynka discuss a novel way to get to school. (a sales demonstration).

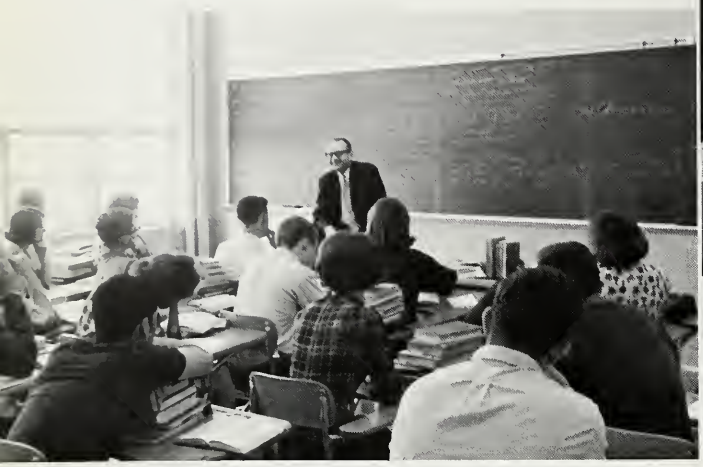
English—Literature



Rules of correct grammar are stressed in English and composition classes.

A scene from the *Old Lady Shows her Medals.*

In order that a person may convey well his ideas to others he must be able to speak and write. English courses are so important that they are required each year of high school. At New Haven the English courses are of three types: literature, speech, and grammar.

Null's Novelties

The Grapes of Wrath is one of many novels studied in literature.

Home Economics—Industrial Arts

Charlotte Klenke and the student home-economics teacher.

Dave Stalter gets a helping hand.

Courses in drafting, woodworking, and automotive study are offered as the industrial arts curriculum. Each skill learned is one that will be used later whether in a specific job or in the home. Patience, accuracy, and an understanding of tools are needed by each industrial arts student.

Competent homemakers are produced in N.H.H.S. home-economics classes. Suits and dresses made in advanced sewing classes show style and good workmanship. Complete dinners are prepared in the cooking room. These skills are invaluable to the students in everyday living.

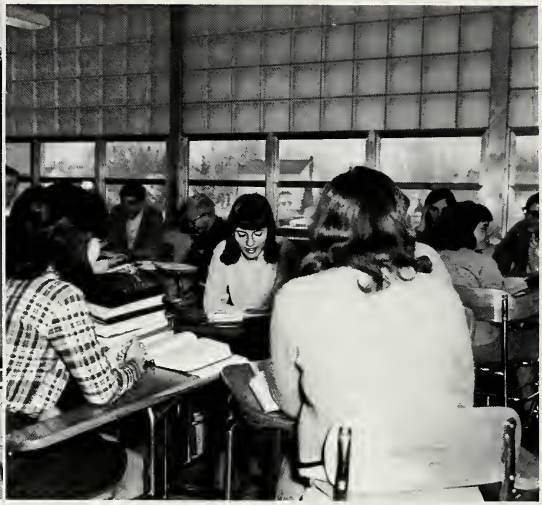
Languages

A map study of Germany.

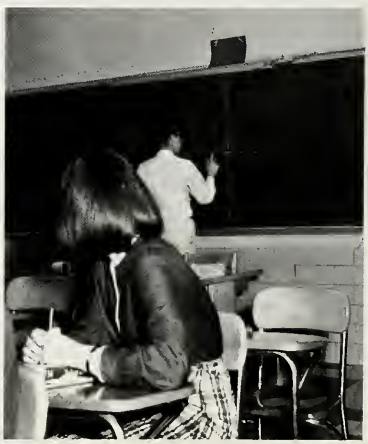


Translation—an integral part of Latin classes.

Concentration in study hall.

Three languages are taught at New Haven—French, German, and Latin. Grammar, vocabulary, mechanics, and pronounciation are stressed in each of these subjects. As students become familiar with the customs of France, Germany, and ancient Rome, their knowledge of other peoples is broadened.

All thoughts are focused on learning French.



In the game, Hangman, "Raoul" Snyder supplies the French verb while the class guesses.

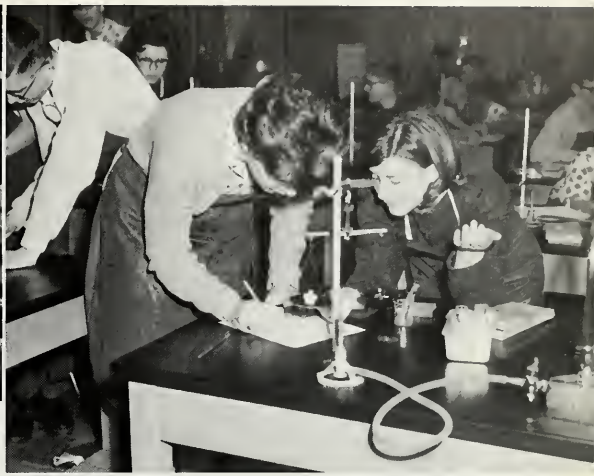
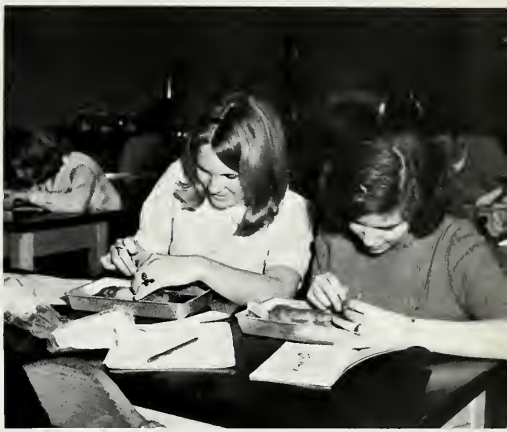
Math—Science

Trig—Secants and sines tax their minds.



Chemistry—The experiments were engrossing, but oh, those lab reports!

The math courses—business arithmetic, geometry, algebra, trigonometry, and college algebra—teach students skills that will form the basis for further training. In any of the science fields—physics, physical science, biology, or chemistry—perception is gained into the make-up of matter. Most students include either a math or a science course on their schedules because both have practical applications.



Zoology—Judy Edwards and Sherry Cox disect fetal pigs.

Biology—Bees, bugs, and bookworms!!

Algebra—The way to correct answers—a helpful teacher.

Physical Education

Heads up, mouths open, Go!

Increased emphasis has been placed upon physical fitness; Sophomores and juniors devote one period each day to physical education. The exercises and games in the classes are designed to teach coordination and develop physical fitness. Because a fit body enables a person to be more mentally alert, physical education is a necessary part of all school work.

Rest Period!

Steeple chase? No, just an obstacle course (Bonnie Bunch).

Good—for a two point landing.

Social Studies

New Haven was pleased to have Congressman E. Ross Adair address this assembly of seniors.

From behind this lectern Mr. Kyle teaches government.

Social Studies associate the student with the different divisions of society today and yesterday. These divisions include prehistoric and historic achievements, fundamentals of the United States governmental system and its operation, scientific study of behavior and social conditions, people's desires for materials and the means of attaining them, and principles of the world's financial structure. Subjects which deal with these topics are U. S. History, U. S. Government, Psychology, Sociology, and Economics.

The Civil Defense program was presented to seniors in all East Allen County Schools.

The history of the world is explored through visual aids.

The school offers complete guidance services. The guidance counselors are available at any time during the day. The guidance staff will help a student or parent with personal, vocational, or educational problems.

Counselors do not solve students' problems. Instead, they try to help the students solve their own problems. The counselor attempts to secure the facts necessary to guide the thinking of the student toward possible solutions.

During the year, the guidance department will carry on an extensive testing program. Scholarships are also handled by the counselors.

Varsity Notes

The 1965 New Haven Football Team won 6, lost 2, and tied 1, for a fine season record. The defending champion Bulldogs had to be satisfied with second place in the Northeast Indiana Conference, due to a 7—7 tie with Concordia. Garrett was the conference champion.

Leading scorers on the team were Al Diehl and Dave Dew with 42 points each. All-conference honor team selections were Dave Dew at halfback and Dan Nix at guard. Honorary captains for the year were Mike Lepper and Chuck Turner. Joe Ringenberg was selected as the player with the best mental attitude.

The team scored 132 points to 58 for the opponents. One of the more interesting games of the season was the 13—0 victory over Bishop Luers, the first in four meetings with them.

The Junior Varsity team finished with a 5—2—1 record. Many of the underclassmen displayed good talent and will make future prospects bright. The squad consisted of 22 juniors and 26 sophomores.

This year's Bulldog basketball squad, led by seniors Russ Moody and Dave McClure, fought hard all season to keep from ending with a losing record. They succeeded in posting a .500 season—winning eleven and losing eleven. With a little luck, several of the close games could have gone our way. One game was lost in overtime, a game with North Side was lost by one point, and two other games were lost by a margin of four points.

The highlight of the season, however, was the showing against 10th ranked Central in the sectional tourney which resulted in a 65—63 victory for our Bulldogs. We went on to meet North Side in the championship game and were defeated.

Back for next year will be eight juniors and a fine reserve team that compiled a record of thirteen wins and six losses.

The 1965 Cross-Country season started with the first practice session on August 16. In the Cross-Country run, boys are pitted against opponents, terrain, elements, and the stop watch for a distance of two miles. The boys who finished in the top ten in varsity competition earned points toward varsity awards.

Forty-seven boys comprised this year's squad. Fourteen varsity and reserve meets were run. Both varsity and reserves finished with ten wins and four losses. The varsity also finished fifth in the Goshen Invitational, fourth in the N.E.I.A.C., third in the I.H.S.A.A. Sectional and twelfth in the Regional.

The following boys earned a varsity award: Seniors—Jeff Hale, Jack Swanson, Doug Wylie; Juniors—Tom Armour, Joe Kelty, Dan McHenry, Bill Shrock, Larry Stroble; Captain—Doug Wylie; Managers—Jim Suciu, Dave Lonis.

Joe Kelty finished in the top ten in the fourteen scheduled meets, while Jack Swanson finished in the top ten thirteen times.

The 1965-66 Bulldog wrestling squad compiled an excellent record of nine wins and three losses, under the direction of Coach Stan Hostetler and Assistant Coach Jerry Goeglein. This season record was ended by a second place in the sectional tourney and an eleventh place finish in the regional tourney.

Two seniors advanced to the regional tourney where Ed Mattingly placed second and Larry Larrance placed third.

The track season officially opens the first Monday after the Sectional basketball tournament is completed. However, the boys who are not out for winter sports start a conditioning program the first week in February. With the new grasstex track the boys can work outdoors in almost all kinds of weather.

The weather this spring was very cold and damp, hampering the conditioning program of the squad. Pulled muscles and injuries to key personnel kept these boys from performing to their best ability. This also hurt the "won and lost" record.

Of the forty-six boys who completed the season, only eight will be lost by graduation. The prospects for a successful track season next year look good.

Mr. Paul Armstrong, coach of the New Haven Bulldogs, defending N.E.I.A.C. Champions, called the first organized practice for this spring. The first few weeks of practice were confined to the boys' gym; however, when the weather broke, the team was moved outdoors.

Only two lettermen, Jon Nott and Russ Moody returned from last year's team but there was a very strong supporting squad of juniors and a few seniors.

After a slow start, the fighting bulldogs have again climbed to the top of the N.E.I.A.C. standings and appear to be strong contenders for the crown both this year and for the next several years.

The New Haven golf team, under the able coaching of Mr. Frank Clark, turned in an impressive record of ten wins and five losses this year. The varsity squad, consisting of Mike Lee, Doug Ruhl, Craig Hooker, and Pat DeRemer, placed second in the NEIC and sixth in the sectional. Backing up the varsity players were members of the junior varsity squad—Tim Morrison, Jeff Rocke, Jim Ulm, Jeff Koehlinger, and Dave Richter. The team's home matches were played at Havenhurst, but the "men of the links" tested their ability on many an area course.

Teamwork—a quality of GAA members.

New Haven is the school for athletic young ladies! Participating in GAA is a great way to relax after a rough day at school. The activities that were offered this year included basketball, softball, volleyball, table tennis, badminton, bowling, golf, kick ball, handball, archery, and golf and tennis instruction.

Interschool competition, sponsored by Miss Anne Berkeypile, proved to be a big success for the New Haven GAA members. The teams won 3 interschool basketball games and 6 volleyball games finishing both sports undefeated. The outlook is good that interschool activities will continue to be a part of the GAA program in years ahead.

The girls' sports season ended with a big swim party and awards presentation held at Club Olympia.

Team Work!!

Under the direction of Mr. Samuel May, New Haven had one of its most successful years in intramural sports. Soccer, which started the activities, was followed by flag football, volleyball, basketball, and baseball. Intramural sports are open to those boys who are not on varsity teams. By participating in intramural sports these boys are provided with a constructive outlet for their abilities.

Active school spirit is always demonstrated by the organizations at New Haven designed for that one purpose—the pep clubs. The Pep Club has given its members many moments of fun, and excitement while they cheered for our teams under the direction of its sponsor, Miss Berkey-pile. The Junior Varsity Pep Club has also backed the J. V. team enthusiastically by holding car washes and posting victory signs in the halls. In addition to these groups the Bulldog Boosters, sponsored by Mr. Wolfe, has helped add volume to the ever faithful cheering blocks.

Home Economics—Industrial Arts

The Home Economics Club of N.H.H.S. was organized five years ago. The purpose of the organization is to promote interest in the field of home economics, in order that students may be trained to become homemakers or to enter this field of employment. Special programs for this year included a talk and film, "Pennsylvania Country Cooking," from the Gas Company; a hat-making demonstration; film strips on pan selection; and a style show in which New Haven girls were the models. Red Cross Friendship Kits were made at Christmas time and an inexpensive "Hope Chest" party was held.

This year there were several boxes of toys turned over to the Christmas Bureau. An awards program for outstanding students in Industrial Arts is being established by the club. In the spring of the year the recipients of the awards will be announced at the annual I.A. Banquet. A tour of local industries is also a part of the spring plans.

Masque and Gavel has as its main goal the promotion of speech activities within the school and in the community. One of the organization's earliest activities is working with National Forensic League to present the annual New Haven speech tourney. Before the end of the first semester one-act plays are cast and rehearsals begun; this year the three plays were "A Feminine Monkey Wrench," "Shock of His Life," and "Jerry Breaks a Date." The big event of each year is the three-act play; this year's "January Thaw" was presented on March 11 and 12 after six weeks of rehearsal. Guided by the sponsors, Mr. Francis May, Mr. Milton Sinn, and Mr. Willard Travis, Masque and Gavelites strive to make each year profitable as they gain new speaking skills.

M & G involves manual labor, too.

The National Forensic League, coached by Mr. F. May, Mr. Sinn, and Mr. Travis, is an organization devoted to the perfection of skills in speaking. Throughout the year some sixty NFL'ers participated in ten invitational speech tourneys within the state. NFL is divided into ten areas as to their type of presentation—Humorous, Dramatic, Oratorical Interpretation, Original Oratory, Poetry, Girls' and Boys' Extemporaneous, Discussion, Radio, and Debate. Two highlights of the year's activities were the annual New Haven Invitational Speech Tourney held in November and the NFL assembly presented in February. The goal of the team was reached when it won the state speech championship for the second consecutive year.

Busy messengers make the rounds run smoothly.

The N.H.H.S. French Club is a noted organization. Its monthly programs are varied, dealing with the country, customs and culture of France. On the evening of March 30, 1966, the members ventured to the New Haven High School for the "Moulin Rouge." An honor banquet was held at the Hotel Van Orman on May 3, 1966, where the members partook of a real French cuisine. An outstanding member from each class was honored for his contribution to the club's functions.

RIFLE CLUB

The Rifle Club, having operated for four years, is one of the newer organizations in the school. The object of the club is to teach good marksmanship and safety in the use of firearms. The club is affiliated with the National Rifle Association and operates under a charter from it. The club's sponsor, Mr. Frock, is a Certified Rifle and Pistol Instructor. Some former members are furthering their interest in weapons while in the armed forces.

HISTORY CLUB

This group of students was organized to discuss and to take part in activities concerning any phase of social studies: history, geography, psychology, sociology, etc. Members of this club were divided into teams whose members took part in lively panel discussions concerning current events. History Club was also responsible for the book fairs at which paperback books were made available to all students.

Science Club

Twice monthly Science Club meets as a whole. During the other weeks each of the five sections meets as individual clubs. Members act as judges at science fairs and operate the coat check at basketball games and at the Kiwanis programs.

The Radio Section, sponsored by Mr. Sauders, is attempting to secure a ham radio license from the Federal Communications Commission.

The Physiology Section, sponsored by Mr. Bandelier, is studying the anatomy of a shark. The Photography Section, sponsored by Mr. Wilder, is studying the many phases of photography. In Math Club, Mr. Schilling is teaching advanced forms of mathematics not offered in high school.

Mr. Hunnings is responsible for the Geology-Astronomy Section initiated this year. Geology members are gathering parts for the construction of a stone polisher and Astronomy members are assembling a six-inch telescope.

The Mirage Business Staff is made up of the Subscription Staff and the Ad Staff. The Subscription Staff is divided into a Publicity Committee and Home-Room agents. The main function of the Business Staff is to attend to the financial aspects of publishing the yearbook. The Subscription Staff is in charge of the yearbook sales campaign working on both publicity and sales to the student body. The Ad Staff provides a financial mainstay of the yearbook by the sale of advertisements.

Duties of the Mirage Editorial Staff include the setting up and taking of pictures, the making of identifications, the securing and proofreading of copy, and the typing of all copy. The fact that the staff meets only one hour each month compels each member to work "after hours" to realize the staff's goal—production of a good yearbook.

During the 1965-66 school year the Y-Teen Club undertook various social, service, religious, and community activities. Under the able direction of the faculty sponsors, Miss Manifold and Miss Leuenberger, the club members were able to carry through such projects as the collection and distribution of Thanksgiving food baskets to needy families in the New Haven area. During the Christmas season tray favors were made for the patients at the Veterans' Hospital, and Christmas murals were hung at the Fort Wayne Y.W.C.A. In mid-February a swim and pizza party was held for the enjoyment of all members, and many of the New Haven Y-Teens also attended a city-wide "Nite Owl" slumber party that was held at the Y.W.C.A. in March. A special Easter project and a Y-Teen Banquet closed the year for this active organization.

Sophomore Y-Teens

The Sophomore Y-Teen Club at New Haven is a comparatively new club. However, girls have shown an interest in this club and it continues to grow. Sophomore Y-Teen members, as well as thousands of other Y-Teen members all over the world, have three main goals to achieve—to grow as a person; to grow in friendship with peoples of other races, creeds, and nationalities; and to grow in the knowledge and love of God.

Programs involving personal service, religious and social activities are on the agenda for the Y-Teens. Collecting food and money for the needy, sponsoring an after-game dance, selling potato chips, and participating in YWCA programs have offered these girls many opportunities to meet and learn about different people.

The Future Nurses club began the year's activities with formal and informal initiations of new members. Near the Christmas holidays members held a mother-daughter tea. As a service project the future nurses gave a party at the Lutheran Old People's Home. The club enjoyed its banquet at the Cedars of Lebanon. The membership awarded Linda Sowers the Future Nurses Scholarship in recognition of her efforts.

A special breakfast for teachers in September was the first of the service projects of the Future Teachers club. The members participated in the teachers' aide program, in which they graded papers, recorded grades, and assisted the teacher. In April, radio, television, and posters advertised Teaching Career Month. At school the club was honored with a luncheon given by the teachers. The F.T.A. closed activities with a banquet at the Golden Dragon at which the two outstanding seniors, Claire Rossman and Suzanne Ortlieb, were honored.

Commercial Club—Hi-Y

Commercial Club is an organization whose purpose is advancing the interests of commercial students in the business field. Each month a qualified speaker is invited from various business fields to talk at the meetings and to answer questions put forth by the girls. Commercial Club has thirty-two members sponsored by Mr. Goeglein and Mr. Downey.

The New Haven Methodist Chruch was the setting for Dr. Little's talk to the Hi-Y.

Hi-Y is a service organization whose purpose is to "create, maintain, and extend throughout the home, school, and community high standards of Christian character." To attain this high purpose, Hi-Y initiated a number of service projects such as providing a student directory, aiding in the distribution of Thanksgiving baskets to needy families, and helping in the Christ Child Festival. The Hi-Y Basketball Team won the county-wide championship this year, and also, participated in the YMCA Youth and Government program. This year the Club sent a shipment of books to Fred Cass, a former president of the club, for use in his Peace Corps project in Venezuela.

Concert

The New Haven Concert Band, under the direction of Mr. Paul Milliman, Mr. Ron Best, and Mr. Howard Lininger, is one of the largest organizations in New Haven High School. It has established an enviable record in competition during the past year. The public is treated not only to excellent concerts but to spirited music during home basketball and football games. Drum majors during the past year were Don Campbell and Nelson Coats. Majorettes were Barb Wesner, Barb Stuerzenberger, Ellen Handlin, and Sheryl Friedley.

The stage dance band usually meets an hour and a half one night a week with special rehearsals as needed. A large instrumentation is used since the stage band is also a training group in which older members help train the newer members. A normal size group is selected from the larger group for programs, dances, and other occasions. The stage band adds another facet to a well-rounded music department since it offers more advanced music students a chance to study and perform music of a type not usually played by the concert band.

This year the Girls' Glee Club consists of sixty-five voices. Performing for spring and winter concerts, state contest, school assemblies, and different community organizations keeps the choir busy throughout the year. The girls strive to win first place at state contest—an accomplishment of past consecutive years. Girls' Glee Club offers the members an opportunity for self-improvement, fellowship and fun.

The Concert Choir is a select group of singers composed of seniors and a limited number of sophomores and juniors. It is the principal performing group of the vocal music department and is kept busy throughout the school year preparing for many concert performances, including the annual N.I.S.B.O.V.A. contest each spring. The group rehearses one hour a day, five days a week, and talented individuals spend extra time in outside rehearsal. Under the able direction of Mr. Carl Nicholas, the New Haven Concert Choir has gained a fine reputation, and it will continue to rank among the top choirs in the state.

The National Honor Society of New Haven High School honors students for character, scholarship, leadership, and service. To be tapped for National Honor, the student is required to have a "B" average which he must maintain during his membership.

The chapter has regular monthly meetings to carry on the routine business associated with its activities. These consist of two moneymaking projects, an all-school assembly at which new members are tapped, a tea honoring the new members and their parents, a banquet for the Society and invited guests, and an installation of officers.

December 18, 1965, was the date set by the Student Council for its annual Snowball Hop.

The decorations built around the theme "As If By Magic" and the theme colors, blue and white, were the results of hours of preparation.

From 8:30 p.m. to 11:30 p.m. the couples danced to the music provided by the Dee Cees from Defiance College. Those couples desiring to rest went to the girls' gym where refreshments were served.

Come one, come all—and they did!!

On Saturday, May 7, 1966, the Scottish Rite Ballroom came alive with ladies and their escorts, for this was the eve of "Carousel"—the Junior-Senior Prom. From 8:30 to 12:00 p.m. gay couples danced around a pink and green merry-go-round to the music of Woody Neff's band. The King and Queen, Denny Ludwig and Cheri Krueckeberg, were crowned by the royal couple of 1965, Jerry Schmutz and Barb Wesner. After the Prom, with spirits undampened by the pouring rain, the group gathered at Cutter's Chalet. The Surf Sons provided music for more dancing and merrymaking.

They danced until midnight.

Happiness to Jackie is receiving her diploma!

Senior Party

At 7:00 P.M., May 25, the Class of 1966 assembled at the Baer Field Inn for the Senior Dinner-Dance. Ships and an anchor symbolized the theme "Today we launch ... where will we anchor?" Centerpieces were awarded as door prizes. The entertainment consisted of the following skits by Tim Morrison: "Bulldog 500," "Split Lunch," "Honor Study Hall," and "The Day They Took the Chimes." Following the entertainment, "Sir Winston and the Commons" played for dancing until midnight.

Mr. Henwood, portrayed by Sherry Meddock, reads the daily announcements.

Seniors and their class sponsors dine at the Baer Field Inn.

"Today we launch ... where will we anchor?"

"Sir Winston and the Commons" furnish music for the dance.

Dancing feet respond to the beat.

Mr. Huff and Mr. Kyle (Steve Pettyjohn and Bob Cockrum) in the skit, "The Day They Took the Chimes."

Healthy, free, the world before me,
The long brown path before me leading wherever
I choose."

—Walt Whitman

Loyal Staff Members Spell Success!

Pictured here are a few of the key members of this year's staffs whose loyalty and willingness to spend more than their share of time have made it possible to complete this book. After asking the question "What is my job?", they followed up with another question even more important—"What else can I do to help?"

THE MOON *and beyond*

Bright, new horizons await today's students . . . new technologies . . . new advancements on all fronts . . . even the moon and whatever lies beyond.

How far you go in this space age depends partly on your imagination but primarily on your education and training. Conquering new horizons will demand more of today's graduates—more knowledge, more skills, more training and more specialization.

Our Free Enterprise system, with its high living standards, gives you an opportunity to "shoot for the moon" in any field. Whether or not your target is reached depends on how well trained you are to launch your career.

World News—1965

1 *Humanitarian Dies*—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

2 *Queen Speaks*—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

3 *Miss Universe*—The reigning queen of beauty in the universe during the year was a representative from Thailand.

4 *Bosch Returns*—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

5 *Wins in Run-Off*—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communistic candidate corroded the popularity of the 71-year-old president..

6 *Agrees to Cease-Fire*—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

7 *Abortive Coup Fails*—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

8 *Soviet Winner*—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

9 *Return to Desolation*—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

10 *Price of War*—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

11 *Reason to Celebrate*—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

12 *Colonial Rule Shaken*—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.
